Appendix B4

Instructions for completing the Request to Use University Equipment, Facilities and Services in Conjunction with Non-University Outside Activity

Any use of university equipment, facilities or services with regard to an outside activity must be approved prior to the activity. In general, the use of these resources will be allowed only on a noninterference basis, and a charge may be assessed.

An employee who has received University approval to engage in an outside activity may request approval for the use of University equipment, facilities, or services in connection with the activity. The University must approve the use in advance. The employee must request such approval by completing and submitting this form. In the case of faculty and A&P employees, the form should be attached to the Disclosure of Outside Activities and Financial Interests. In the case of non-faculty employees, the report should be submitted to the supervisor. If in the course of the work, the employee anticipates a change in the use or dates of University resources, a new request for approval must be submitted immediately.
